Your health is our mission. Our programs are supported by a local medical staff practicing various specialties, including:

Acid Reflux Center

Prairie Lakes Specialty Clinic

401 9th Ave NW

605-882-7777

Let us help you take control of your chronic heartburn or similar symptoms. Heartburn symptoms are very common in the U.S. and many may feel like taking antacids daily is simply a part of life. Call for a consultation with our acid reflux specialists.

Campus Pharmacy

401 9th Avenue NW

605-882-7790

Located in the lobby of Prairie Lakes Hospital open for retail business Monday through Friday from 8:30 a.m. to 5 p.m. Prairie Lakes Campus Pharmacy serves walk-in customers as well as inpatient and outpatient patrons of Prairie Lakes Healthcare System. Our fully licensed pharmacy staff works closely with physicians, nurses, and other healthcare professionals to meet a full scope of pharmacy needs.

Cardiology Services

Prairie Lakes Specialty Clinic

401 9th Avenue NW

605-882-7777

Provides emergent, clinic, and rehabilitation services. With an onsite cath lab, Prairie Lakes is equipped to handle heart care emergencies 24/7. Cardiologists diagnose and treat cardiac conditions such as coronary artery disease, heart valve problems, and heart failure. The Heart Failure Program at Prairie Lakes Cardiology is personalized for heart failure patients to improve quality of life.

Caring Club House

220 9th Avenue NW

605-868-1868 or 605-882-6888

The Caring Club House offers a home away from home for patients or family members with a loved one seeking medical services.

Dermatology Clinic

Prairie Lakes Specialty Clinic

401 9th Avenue NW

605-882-7777

Dermatology provides skin-related care for all ages. Common conditions seen by our dermatologist include skin cancer, eczema, acne, psoriasis, skin infections, and rosacea.

Ear, Nose, Throat and Facial Plastic Surgery Clinic (ENT)

Prairie Lakes Specialty Clinic

401 9th Avenue NW

605-882-7777

ENT provides care for ear, nose, and throat conditions such as sudden hearing loss, sinus disease, voice disorders, and thyroid disease. Facial plastic surgery is also available; such as rhinoplasty (nose appearance surgery).

General Surgery Clinic

Prairie Lakes Specialty Clinic

401 9th Ave NW

605-882-7777

General Surgery diagnoses and treats a variety of conditions, including hernias, breast disease, varicose veins, skin lesions, and chronic acid reflux. When a condition requires emergency surgery, our general surgeons are part of the Watertown team that is here for you.

Home Connections

401 9th Ave NW

605-882-7841

Staff provides in-home services for patients who need housekeeping, errand/shopping services, personal care assistance, exercise assistance, medication management and any other non-skilled task. Services are available from a visit to multi-hour schedule, seven days a week. A nurse case manager provides overall supervision and management.

Home Health

401 9th Ave NW

605-882-7745

Home Health offers a skilled level of nursing and therapy care covered by Medicare and private insurances. RN's, physical therapy, occupational therapy, speech therapy, medical social services and aides provide care in the home setting on an intermittent (not shift) visit basis. Services may be requested by phone, in writing or in person by the MD, family or patient.

Hospice

401 9th Ave NW

605-882-7745

Our Hospice services are Medicare certified and offer symptom control and hands-on care of the terminally ill person in the home, respite, and hospital/acute setting. Hospice nurses, support staff, and volunteers strive to help the patient move through the end-of-life process in comfort. Family members and caregivers are given support during this process and through bereavement programs.

Labor and Delivery

Prairie Lakes Hospital

401 9th Avenue NW

605-882-7000

We specialize in making the birth experience happy and memorable for everyone involved. Our Obstetric Services staff of skilled professionals not only care for you and your baby during your labor experience but provide free education to new parents before and after the baby is born.

Nephrology

Prairie Lakes Specialty Clinic
401 9th Avenue NW
605-882-7777

Provides diagnosis and management of kidney diseases and disorders including hypertension, electrolyte disturbances, managing patients with kidney transplant, and critical care. Prairie Lakes owns and operates three dialysis units located in Watertown, SD; Sisseton, SD; and Ortonville, MN.

Oncology

Prairie Lakes Cancer Center
401 9th Ave NW
605-882-6800

We are committed to provide patients with innovative treatments and caring support. The dedicated physicians and clinical staff work as a team to offer expertise in areas such as radiation, chemotherapy, clinical trials, nutrition, education, and emotional wellbeing.

Orthopedics

Prairie Lakes Specialty Clinic
401 9th Ave NW
605-882-2360

Provides personalized surgical and nonsurgical care for patients with a variety of conditions related to joints, bones, ligaments, nerves, and tendons. Our team works together to not only get you back to your normal self, but we also work to prevent injuries and improve performance. We ensure proper diagnosis, treatment, and rehabilitation.

Other Services

Prairie Lakes Healthcare System
401 9th Ave NW
605-882-7000

Other Prairie Lakes services available include critical care, emergency care, direct lab access, nutritional services, Target Heart and Stroke Screen programs. Visit our website at prairielakes.com for a complete list of services and doctors.

Pain Science Center

Prairie Lakes Specialty Clinic
401 9th Avenue NW
605-882-7700

This is an option for those suffering from complex, chronic or widespread pain they are struggling to live with and manage day to day. There are many different types of pain, and we are here to listen, evaluate, and help you gain control of the unique symptoms related to your individual pain.

Pastoral Care

401 9th Avenue NW
605-882-7714

Staff is available to assist family members and friends coping with illness or the loss of a loved one. Visits provide safe and confidential opportunities to discuss concerns and vent emotions while promoting balance and encouraging healthy coping. They can be reached anytime for prayer, spiritual concerns or support of any kind.

Podiatry

Prairie Lakes Speciality Clinic
401 9th Ave NW
605-882-7777

The Podiatry Clinic provides surgical and nonsurgical services to treat issues related to the foot, ankle and legs including gout, arthritis, heel pain, corns, calluses, and more.

Pulmonology

Prairie Lakes Specialty Clinic
401 9th Ave NW
605-882-7777

Pulmonology provides services for patients with illnesses that affect the lungs, respiratory tract, and bronchial tubes, including asthma, pneumonia, and emphysema.

Rehabilitation Services

Prairie Lakes Specialty Clinic
401 9th Avenue NW
605-882-7700

Rehabilitation staff serve patients in outpatient, home health, long-term care, and hospital inpatient environments. Our program works with your physician to bring you effective physical therapy, occupational therapy, and speech therapy.

Surgical Services

Prairie Lakes Hospital
401 9th Ave NW
605-882-7000

General and specialized surgeons in the region perform procedures and surgeries at Prairie Lakes Hospital and Mallard Pointe Surgical Center. Our surgery staff is trained to work with these surgeons and provide you with compassionate care.

Urology

Prairie Lakes Specialty Clinic
401 9th Avenue NW
605-882-7777

Patients with urological disorders including urinary incontinence and prostate cancer are diagnosed and treated by our urologists. Our approach to care is personable and patient focused with special attention to the sensitivity of common urological problems.

Wound Care

Prairie Lakes Hospital
401 9th Ave NW
605-882-7690

Provides expertise through a collaboration of physicians, nurses, physical/ occupational therapists and dietitians to deliver care for patients with acute and chronic wounds. To schedule an appointment contact your primary care physician and have them send an order to Prairie Lakes Central Scheduling.

Your Total Joint Journey

401 9th Ave NW

605-882-7700

A free educational class for patients considering or scheduled for total joint replacement surgery and their caregiver or coach. It will cover what to expect before surgery, during a stay in the hospital, and when the patient leaves. Sessions are offered the 2nd and 4th Tuesday of every month at noon at Prairie Lakes. RSVP on prairielakes.com or call.
